

### **Presley M. Mock, M.D., F. A. C. S.**

Presley M. Mock, MD has been in private practice in Dallas since 1991. In 1994, he co-founded Texas Medical & Surgical Associates, where he has served as president since 1995. His 12+ years of experience as a medical group practice president has proven invaluable with respect to issues such as medical economics, profit loss analysis, overhead allocation, productivity enhancement, physician compensation and incentivization, physician ownership issues, ancillary services related to Stark Law, physician recruiting, billing and collecting, practice management and software operating issues, and managed care contracting.

Using his knowledge of practice management, Dr. Mock co-founded Lone Star MSO, a practice management services organization. Dr. Mock serves as president and CEO.

Additionally, Dr. Mock's numerous offices held in Dallas and in Texas have created a model foundation of invaluable relationships in the medical community. Most notable include past president of the Texas Association of Otolaryngology, past chairman of the Dallas County Medical Society Socioeconomics Committee, delegate to the Texas Medical Association, and currently vice-chairman of Texas Medical Association Council on Socioeconomics. Other appointment credentials include his membership in the American College of Physician Executives and the VISTAGE International CEO membership organization, and has been serving as Chief of Staff of the Texas Institute for Surgery at Presbyterian Hospital of Dallas since 2004.
